AMERICAN GAS LAMP WORKS
Lamps

The World’s Finest Gas, Electric, and LED Lamps

American Gas Lamp Works crafts the unique look and comfort of gas and faux gas lighting for discriminating buyers. We specialize in commercial-grade, foundry-cast aluminum lamps that provide Old World charm and enduring quality for exceptional homes, historic buildings, and romantic settings.

We offer a variety of illumination technologies, each of which adds its own unique ambiance to a space. From open flame to GasGlow® LED illumination technology, you’re sure to find the perfect fit for your home or community.
